INITIAL LEAD RESPONSE

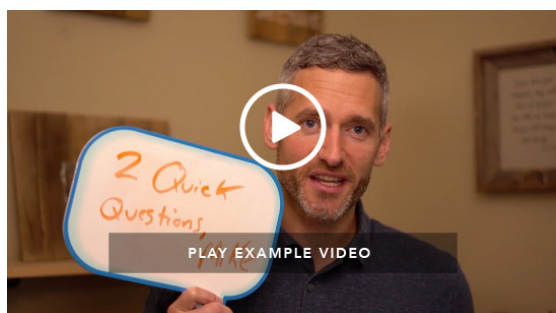

SUGGESTED SCRIPT:

"Hi, (name). I'm (name) from (company name). Thanks so much for reaching out about our services. I want to put a face to the name and let you know we are real people and here to help. We know there are a lot of choices out there and it can make the process difficult. Whether you are just browsing or ready to make a decision we are here to help you at any stage. All it takes is a 3-5 minute phone call to learn more about you and understand your intentions and goals. Respond to this email or give me a call to let me know a time that works best for you. I can't wait to talk to you and hope you're having a fantastic day."

RESPONSIVE LEAD FOLLOW UP

SUGGESTED SCRIPT:

"Hi, (name). It's (name) with (company). I have two quick questions for you in this video. Number one, I know you said you were thinking about moving sometime late summer. I just wanted to make sure that timeline is still accurate because there are some things we can do right now to make sure you're prepared. And number two, I wanted to see if you have any questions for me in the meantime. You can think of me as your consultant, helping you any step of the way. To respond to this email, hit reply or the 'reply with video' button and send me a video message. Let me know if the timeline is accurate and if you have any questions. I hope you're having a great day (name)."

NON-RESPONSIVE LEAD FOLLOW UP

SUGGESTED SCRIPT:

"Hi, (name). It's (name) with (company name). I've (mention how you reached out) but I haven't heard back from you yet. Which means you probably fall into one of two categories. Either you've already made your purchasing decision and there is really no reason for us to continue communicating, or life has just gotten busy and you haven't had the chance to reach back out. And I completely get it. So I just wanted to follow up one last time to see if we could find some time to connect. I'm excited to learn more about what your needs are, and how we can specifically help you achieve them. You'll find my phone number below, or you can reply back to this email and we can find a time to connect that works best for you. Have a great rest of your day (name) and I look forward to talking soon."

APPOINTMENT CONFIRMATION

SUGGESTED SCRIPT:

"Hi, (name). (Name) here with (company name). I'm really looking forward to our upcoming appointment on (day) at (time) at (location). (Promise a specific piece of value they'll get at the appointment, that you heard them asking for during scheduling). If you have any questions in the meantime, just reach out! I look forward to seeing you on (day). Have a great rest of your day."

APPOINTMENT FOLLOW-UP

SUGGESTED SCRIPT:

"Hi, (name). Thank you so much for meeting with me. It was a pleasure to get to know you and learn more about you, your interests, and (mention something you learned about them). I know you said you wanted to (their next steps), and that sounds great. What I'll do, is I'll follow up on (day) and I can answer any questions you have then. It was a pleasure meeting you and I can't wait to talk to you soon."

REFERRAL LEAD RESPONSE

SUGGESTED SCRIPT:

"Hi, (name). It's (name) from (company name). (Referral's name) gave me your contact information. He/she is an awesome person, as I'm sure you know. We've been working with him/her for years, and he/she said you might be interested in our services. I wanted to reach out to you, put a face to a name, let you know that we are real people. We're here to help no matter where you are in your purchasing decision. Whether you're just browsing or you're ready to do something now, I just wanted to introduce myself. So please give me a call back at my number below, or just reply to this email and let me know when a great time to connect will be. I can't wait to talk to you over the phone (name), and maybe even meet you in person."

Save Time + Improve Efficiency

A common misperception is that video requires more time than typed-out text. Once you're basically comfortable, though, you'll save time by talking instead of typing and you'll communicate much more clearly, cutting down all those back and forth exchanges. With tracking, automations, integrations, and the ability to use your emails, videos, and scripts over and over again, BombBomb gives you serious efficiency gains.

4x

On average, we talk four times faster than we type.

34x

Face-to-face communication is far more successful than typed-out emails.

13hr

On average, we spend this much time every week reading and typing out emails.

BombBomb's not just a video platform.

It's a sales acceleration platform. A small investment of time up front delivers significant benefits in the weeks, months, and years ahead.

APPOINTMENT CONFIRMATION

SUGGESTED SCRIPT:

"Hey, it's (name) with (company name). I'm really looking forward to our upcoming appointment. I wanted to reach out and go over three quick things with you. Number one, the date and time are below. I wanted to make sure we're on the same page, so please confirm that is accurate. Number two, if you could prepare your list of questions, needs and wants ahead of time, that will help us make the most of our time. And number three, if you need to reschedule for any reason please just let me know ahead of time. I'm excited to meet you in person and look forward to talking soon."

BIRTHDAY

SUGGESTED SCRIPT:

(Pretend you're going to sing)

"Happy..." just kidding, I'm not going to sing. I'm an awful singer and you don't want to hear that. But I did want to reach out and wish you a very happy birthday. I hope you're having an amazing day so far and doing all the things you love to do. Just wanted to reach out and say, "happy birthday."

LEAD RESPONSE

SUGGESTED SCRIPT:

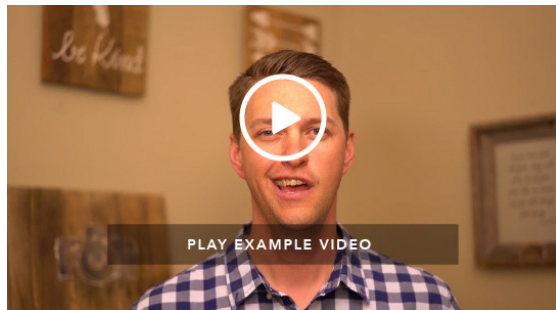

"Hi. I'm (name) from (company name). I wanted to quickly send you a message and say thank you for reaching out to us. I wanted to let you know I'm here to help. Whether you're early on in the buying decision or you're getting close to making a decision. I'm here to help you make the best choice for you. Moving forward it would be best for us to have a quick chat, 3-5 minutes, so I can understand how best to help. Would you mind replying back to this email with a few times that might work well for you over the next few days? Just reply to this email or give me a call at my number listed below. Have a great rest of your day, and I look forward to hearing from you soon."
